ance Notes on Codes and Abbreviations" appearing at the begin-  
ning of each regular issue of the PCT Gazette.

(54) Title: UNIVERSAL MOBILE ELECTRONIC COMMERCE

(57) Abstract: Electronic commerce system and method allowing a customer having an account with a first payment service provider based in a home network to purchase goods and services from a merchant having an account with a second payment service provider based in a remote network, including: first payment service provider with which a customer desiring a transaction with a merchant has an account; a home network on which first payment service provider is based; second payment service provider with which the merchant has an account; a remote network on which second payment service provider is based, by means of which the merchant communicates with the second payment service provider; at least two payment gateways, of which first payment gateway is associated with first payment service provider and second payment gateway is associated with second payment service provider; and a general network by means of which the payment gateways communicate.

# INTERNATIONAL SEARCH REPORT

International application No.

PCT/IL04/01016

## A. CLASSIFICATION OF SUBJECT MATTER

IPC: G06F 17/60

USPC: 703/39

According to International Patent Classification (IPC) or to both national classification and IPC

## B. FIELDS SEARCHED

Minimum documentation searched (classification system followed by classification symbols)  
U.S. : 703/39

Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched

Electronic data base consulted during the international search (name of data base and, where practicable, search terms used)

## C. DOCUMENTS CONSIDERED TO BE RELEVANT

Category *	Citation of document, with indication, where appropriate, of the relevant passages	Relevant to claim No.
A	6,609,113 B1 (Oleary et al) 19 August 2003 (19.08.2003)	1-56

☐ Further documents are listed in the continuation of Box C.

☐ See patent family annex.

Special categories of cited documents:	
"A" document defining the general state of the art which is not considered to be of particular relevance	"T" later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention
"E" earlier application or patent published on or after the international filing date	"X" document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone
"L" document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)	"Y" document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art
"O" document referring to an oral disclosure, use, exhibition or other means	"&" document member of the same patent family
"P" document published prior to the international filing date but later than the priority date claimed	

Date of the actual completion of the international search  
19 February 2006 (19.02.2006)

Date of mailing of the international search report
